

Payment Option for Membership

- This payment option allows you to pay your dues electronically using Electronic Fund Transfer (EFT) or pay with credit card. You will have a choice of different payment options.
- If you elect this option, please visit the NEA-NH website at www.neanh.org, click the EasyPay logo on any page or click the "Membership" tab, then scroll down the page to click "Pay Dues Using EasyPay."
- You will need your Member ID number, your home zip code, your home email address, your checking or savings account number and the bank routing number.
- **If you are a new member, you will need to obtain your Member ID number prior to enrolling online. Contact your UniServ Assistant at 603-224-7751 for assistance.**
- The website is quite easy and will guide you through the process:
 1. At the first screen, you will enter your Member ID number and home zip code, and then hit NEXT.
 2. The second screen displays your contact information (much of it will pre-populate based on information you provided on your membership form). Please correct and fill in any missing information and then hit NEXT.
 3. The third screen displays your "Deduction Amount" and the "number of EFT payments." The system calculates the amount based on your membership type. You can also click a link to show more details. Hit NEXT.
 4. At the fourth screen, enter your banking information. Hit NEXT.
 5. The fifth screen displays your "Deduction Amount," number of installments (based on the number of months left in the year), and the deduction start date. Your Bank Account Number and Bank Routing Number will also be displayed. Click to "agree" to the terms.
- After completing the required online form, you will receive an email confirming your enrollment.
- The entire process should only take about five minutes.
- If you have any questions, please contact your UniServ Assistant at 603-224-7751.
