Mental Health Emphasis

NEA-NH has secured several grants from NEA to provide extensive pd on mental health topics, including trauma-sensitive schools, educator resilience, suicide prevention, student wellness, and YOUR wellness!

Monthly Drop-in Book/Support Groups

On the 2nd Tuesday monthly, Sept-June, at 7 PM on Zoom, members can drop in for "Gathering to Nurture Your Personal Resilience." On the 2nd Wednesday monthly, new teachers can join "Real Talk and Resilience for New Teachers," for discussion and support. These grant-funded groups provide an outlet to share issues and gain support (including a Resilience book).

NEA-NH works with individual school districts to provide training and programming to mentors, peer coaches, and mentees. This work ensures that teachers and ESPs set their careers on a path to success.
